[Sizzling and cooking. Kitchen utensils set down.]

Pallas

So let me get this straight. This isn't bad news.

Tythia

No, it's not. Don't look at me like that. I swear it's not, it's good news.

Pallas

But prior to today...

Tythia

Uh huh...

Pallas

Every time you've tried to cook-

Tythia

I resent that implication, the tortellini bake was marginally successful.

Pallas

That was like a 49%. That does not count. And don't interrupt me.

Tythia

(tries to interrupt)

Pallas

Interrupting! As I was saying, every time you've tried to cook, it's been because there was news. And not just news, it's been bad news every time. 100% of the time. The statistics do not in any way, shape or form match what you've just said. So you're telling me it's good news when every bit of evidence I have says it should be bad news. Do you want to alter your statement in any way before I continue?

Tythia

Would you just put the fork in your mouth and let me talk?

Sound FX  
[Pallas tastes the food.]

Pallas  
This is actually really good.

Tythia  
Right?!

Pallas  
Please tell me that's the good news and we're done.

Tythia  
very hurtful.No, there's more. But you were really making me question my ability to cook food for any palette that isn't mine. This is very hurtful.

Pallas  
The odds just moved slightly in your favor. So tell me the good news and I'll keep eating.

Tythia  
I got it.

Pallas  
What?

Tythia  
The teaching position in 82A. I mean, it's closer to the Kingery than I would like but... you said you wanted to stay here for a while, so I'm in. All in. What? Say something.

Pallas  
I just- that is good news.

Tythia  
I am sensing a lack of trust. And I may not cook for you again. In fact, this plate is mine now.

Sound FX  
[Plates moving.]

Pallas  
(laughing) No, no, no, no, no.
