

The Kingery, Season 13 hiatus mini-episode 4 "BowerWorx"

ANNOUNCER: The following Pendant production contains mature subject matter. Listener discretion is advised.

[Bubbling noises.]

[Door opening quickly.]

BERNICE
AAAAAAAH!

ALYSON
What the FUCK is that smell?

BERNICE
Lady boss, could you PLEASE knock next time! My work is very delicate!

ALYSON
The smell is all the way down the hall! You're lucky it didn't set off the fire alarm!

BERNICE
But there's no fire.

ALYSON
There's a little fire. It's right there!

BERNICE
Okay but that's not a fire of CONCERN.

ALYSON
Seriously what the fuck are you doing Bernice.

BERNICE

It's PROFESSOR Bernice. And if you must know I'm doing SCIENCE.

ALYSON

That's not really an answer. Did you run this by Tythia?

BERNICE

Uhhhhh

ALYSON

Or maybe Pallas, who, you know, runs this whole university annex thing?

BERNICE

Uhhhh look. I just ... need to do a certain amount of sciencing! To maintain my credentials!

ALYSON

Your scientist credentials.

BERNICE

Well, no.

ALYSON

Your professor credentials, then.

BERNICE

Those are in progress.

ALYSON

So...

BERNICE

It's to maintain my business license standing! As you may already know, BowerWorx LLC is a legally separate entity from soon-to-be Professor Bernice Bowerman!

ALYSON

Okay, so what are you making?

BERNICE

Oh, you know. Lollipops.

ALYSON

Why is making lollipops a science?

BERNICE

Before I started therapy and found the proper balance of medication, I was making lollipops. I erroneously believed they made people better at trigonometry, but why throw out a perfectly good recipe?

ALYSON

A recipe for lollipops. That's what you're making.

BERNICE

Well, yes.

ALYSON

A recipe that doesn't do what you thought it did.

BERNICE

A recipe that doesn't do what I thought it did ... yet!

ALYSON

Oookay. I'm gonna go now.

BERNICE

Great! Also by listening to everything I just told you, you surrender your legal right to sue!

ALYSON

Wait, are these weird smells dangerous?

BERNICE
Maybe! But it's only a hypothesis!
Hence the sciencing!

ALYSON
What the fuck.

[Alyson stomping around.]

BERNICE
Wait, wait! Don't turn off my
burners! Aww come on!

ALYSON
Find something else to science.

[Door slams.]

BERNICE
(sighs)
Ughhhhhh ... maybe I should go back
to the "hair spray"?

[Door opens.]

ALYSON
FUCK NO.

[Kingery theme plays.]

The Kingery, season thirteen mini-episode 4, "BowerWorx"

Featuring the voice talents of:

Melissa Autumn Hearne as Alyson
