

Genesis Avalon: Patriot, Trailer 2 “Wanted, Exodus Avalon”

[footsteps walk closer down a long corridor]

GUARD

Prisoner! Step away from the door!

[Prison door opens down the hall]

[Sam paces]

SAM

Oh, good. One of you lot gonna tell me what this is about, or are you gonna keep hiding your faces?

[Calhoun steps into view, sinister music in the background]

CALHOUN

Funny, coming from a guy who lived with a mask on his face for most his life. How have you enjoyed the life of celebrity, Exodus Avalon? Oh, wait, it's Sam Tyler, isn't it? You have your face plastered all over the paparazzi rags in London these days.

SAM

[overlapping Calhoun's line] Calhoun...

CALHOUN

(chuckles menacingly)

[Sam walks over to the door]

SAM

You sonuvabitch!

CALHOUN

(chuckles menacingly)

[Demonic power activates on Sam]

SAM

[Pained groan]

CALHOUN

(Slightly demonic voiced) If it's an upgrade you want....

[footsteps as a new figure enters the hallway]

TOM CONNORS That's enough of that, Calhoun.

[Demonic power stops]

SAM

(catching his breath, recovering) Didn't know... I was important enough... for a visit from the Vice President of the United States of America....

TOM CONNORS

Oh, you yourself? You're not. You're barely a blip on my radar, except that you're a somewhat useful tool.

SAM

(scoffs) If you think I'm going to help you -

TOM CONNORS

(Mocking)-- I've got another thing coming. You'd rather die here blah blah blah. No. I don't think you're going to willingly help me. In fact, I'd rather you not be willing at all. I like it when they fight.

[Tom moves closer]

TOM CONNORS

I remember you fought valiantly the last time we met. Your defiance was... (chef's kiss) delicious.

SAM

I've not...

TOM CONNORS

Oh, you've met me. Come on, back when I was just head of the Stewards. How's your shoulder these days, Sammy? Still have my initials on your chest?

SAM

You!

TOM CONNORS

Gasp! Me. And please, spare me the empty threats. They're just a waste of your breath, and you don't have much air left to breathe.

CALHOUN

You're to be executed on State Television. A public display to all those who would oppose the government and engage in illegal and dangerous vigilante activities.

TOM CONNORS

Quite soon, at that. See, my administration is all about decisive, swift action to maintain peace and justice. All that stuff that plays well in the flyover states.

SAM

Justice?! There's no justice in America anymore, you're a totalitarian regime--

TOM CONNORS

Aw, save it for your Twitter feed. Like I said, empty threats and jibes aren't going to help you here. Matter of fact, nothing is going to help you here.

CALHOUN

You have no powers. No medallion. No Gods to back you. Oh yeah, all of hell knows how you told the Celts to shove it after you beat Morgan Le Fay.

TOM CONNORS

Yeaah, kind of a tactical error, throwing away your only power when there are still enemies on the horizon.

SAM

I'm.... Not.... I have allies....

CALHOUN

Allies? That fake king of yours?

TOM CONNORS

Oh, uh, His Majesty is being a real good boy and trying all the diplomatic options he has. Unfortunately, those take months. You have days.

SAM

I'm going to get out of here-

TOM CONNORS

(Over Sam's line) Calhoun, silence him.

SAM

And when I d--

[Demonic power]

TOM CONNORS

And hold him still.

[The door to Sam's cell opens, Tom and Calhoun step inside]

TOM CONNORS

You know, Sammy... A man in my position doesn't get a lot of opportunities to really let the ole freak flag fly.

[Tom unsheathes a knife]

TOM CONNORS

But it is nice to know this time, no gods or heroes are going to stop my fun.

[Tom slices into Sam's arm]

SAM

(Long exhale of air that builds into a scream as Tom tortures him)

[Genesis Avalon: Patriot Theme plays]

In "Call to Arms":

Featuring the voice talents of:
